****Coaches:** For relays we need you to create a team account if you don't already have one. This can be done on the right side of main page. Then you will login under teams after you click Register. A meet access code will be emailed to you. Don't share the meet access code with anyone not a coach. Please only enter relays into the meet not individuals as they will do that themselves. If you have questions about this process contact Nelson @ (385) 207-8378
